

CORRECTION

For the article titled “Comparison of magnetic resonance with computed tomography angiography for preoperative localization of the Adamkiewicz artery in thoracoabdominal aortic aneurysm patients”, published in J Vasc Surg 2007;45:677, the last name of one of the authors was misspelled as “Reijnders”. The correct spelling of the author’s last name is “Reinders”.

CORRECTION

For the article “Surveillance of small aortic aneurysms does not alter anatomic suitability for endovascular repair”, published in J Vasc Surg 2007;45:96-100, the third sentence in the last paragraph of the discussion should read as follows: “If an aneurysm is not suitable for EVAR when surgical repair is warranted, it is likely that the aneurysm was unsuitable for EVAR during most of its natural history”.
